

# GREAT EV Protect

Protect your drive with comprehensive coverage for your electric vehicle

# Not all electric vehicle insurance plans are created equal. That's because the GREAT EV Protect covers your car and a whole lot more.

We provide coverage for damage of your charging station, including damage to home contents due to fire when charging your car.

More importantly, you will be covered for outpatient medical expenses due to electric shock while charging your car, and receive one of the highest personal accident coverage of up to S\$120,000 for the policy owner while on the move.

## Why GREAT EV Protect?

### Coverage for private charging station and home contents due to fire

Beyond insuring your vehicle, we also cover your private charging station for up to S\$5,000 against accidental damage. We will further protect your home contents for up to S\$20,000 in the event of fire caused by your private charging station.

### Up to S\$2,000 medical expense reimbursement

Claim up to S\$1,000 outpatient medical expenses for electrical shock suffered while charging your vehicle. In addition, you are covered for up to S\$1,000 medical reimbursement for both driver and passengers if they are injured in a car accident while travelling in the insured vehicle.

### Your choice of any preferred workshop and 24/7 roadside assistance

Take comfort in having your preferred workshop to repair your vehicle and provide 24/7 roadside assistance in case of accidents anywhere in Singapore, West Malaysia and Thailand.

Start a conversation with your Great Eastern Financial Representative today and find out more.
