

IMPORTANT INFORMATION ABOUT YOUR SUPREMEHEALTH POLICY

Dear Policyholder,

From end-2015, every Singapore Citizen and Permanent Resident will be covered by MediShield Life.

Your SupremeHealth policy is already made up of two parts today – a basic MediShield portion provided by the Central Provident Fund Board (CPF Board) and additional private insurance coverage provided by Great Eastern Life. **By end-2015, MediShield Life will replace the MediShield portion of your policy, to provide you with better coverage.**

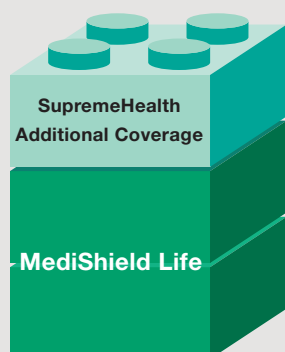

MediShield Life

MediShield Life will pay for large hospital bills and expensive outpatient treatments. It is designed for patient stays at Class B2/C wards in public hospitals and subsidised treatment.

With MediShield Life's enhanced coverage, you will enjoy

- Coverage for treatment of pre-existing conditions
- Higher inpatient claim limits
- No lifetime claim limit
- Coverage for life

SupremeHealth

SupremeHealth provides additional coverage above MediShield Life (eg: for patient stays at Class A/B1 wards in public hospitals, or in private hospitals).

Premium: The full SupremeHealth premium comprises the MediShield Life premium + SupremeHealth's additional coverage premium.

Claims Payout: In the event of hospitalisation/medical treatment, your SupremeHealth payout comprises the MediShield Life payout + SupremeHealth's additional coverage payout.

IMPORTANT INFORMATION ABOUT YOUR SUPREMEHEALTH POLICY

Today, your SupremeHealth premium is made up of the MediShield premium and an additional premium for private insurance coverage. With MediShield Life's enhanced coverage, MediShield Life premiums will be higher than MediShield premiums, resulting in higher SupremeHealth premiums overall.

All Singaporeans will receive subsidies to help with their MediShield Life premiums. The Government will also make it convenient for Singaporeans to receive these subsidies.

1

Verify your NRIC address

Is your NRIC address updated? If not, you can update it at Police Posts or the Immigration & Checkpoints Authority of Singapore (ICA), with relevant supporting documents.

If there are tenants in your HDB flat, please update your tenant records with HDB by logging in with your Singpass to "My HDBPage" on the HDB website.

2

Check your MediShield Life letter

In a few months, look out for a letter from the Ministry of Health (MOH) inviting your household to confirm your household information online.

If you have any questions, please contact your Servicing Distribution Representative or email us at wecare-sg@greasternlife.com. Alternatively, you may also call our Customer Service Officers at 1800 248 2888.
