

PRESTIGE PORTFOLIO

Building a portfolio suited for every investor through diverse fund choices

#Lifeproof your investment potential with versatility on fund choices

For a successful individual like you, who has defined your own success and wants to invest in a future of potentially greater returns, wouldn't it be great if you can have access to a wide variety of funds that are managed by professional fund managers from across the globe? One that can be personalised according to your wealth accumulation goals as well as your evolving aspirations in life.

Prestige Portfolio can help you do that and more. It's a personalised investment-linked plan that offers you access to a wide range of Prestige Portfolio funds, all skilfully managed by a team of established and recognised award-winning fund managers¹.

What's more, unlike typical wealth accumulation plans, Prestige Portfolio offers added financial security for your investments with coverage on Accidental Death at no extra cost, with no medical underwriting required. If you wish to further safeguard your investments, simply attach a Premium Waiver Rider² (ILP) to ensure that investment premiums will continue to be contributed to your plan in the event you are diagnosed with a covered Critical Illness.

To guide you towards your wealth aspirations, you will be assigned a dedicated Great Eastern Financial Representative. You can also enjoy quick and easy access to your portfolio with the Great Eastern App.

Enhancing your investment for potentially greater returns

Mark Lim, aged 40, embarks on his wealth accumulation journey to ensure that he can maintain his current lifestyle during his advancing years. He also wants to be able to access his funds easily throughout his wealth accumulation journey. In addition to paying an annual premium of S\$20,000, he plans to make investment top-ups of S\$50,000 each every four years.

The above illustration is based on a Prestige Portfolio (RP) policy. All figures in the above illustration are based on Illustrated Investment Rate of Return (IIRR) at 8% p.a. and are rounded to the nearest hundred.

The above illustration is based on wrap fee of 1% p.a. on Total Investment Value and Premium Charge of 2% deducted from each payment of the annual premium and Investment Top-up(s).

* Partial withdrawal limits apply and for customers who have opted for dividend paying funds with cash payouts, in addition to the withdrawals, they may receive cash dividends.

[†] Potential payout is illustrated based on 50% LionGlobal Singapore Balanced Fund and 50% JPMorgan Investment Funds – Global Income Fund, at IIRR of 8% p.a.. The actual payout payable will depend on the actual performance of the underlying assets of the funds. The performance of the funds is not guaranteed and the surrender value may be less than the total premiums paid. Based on an IIRR at 4% p.a., the Total Investment Value at age 50 is S\$316,700, at age 60 is S\$686,600, at age 70 is S\$580,000, and at age 90 is S\$347,900. The total aggregate payout is S\$907,900 (S\$347,900 + S\$200,000 + S\$24,000 x 15). The two rates of return used (4% p.a. and 8% p.a.) are purely illustrative and do not represent upper and lower limits on the investment performance.
