GREAT SupremeHealth

Enhanced with GREAT TotalCare

Cover up to 95% of your child's total hospitalisation bill

Comprehensive healthcare coverage that protects your child's future

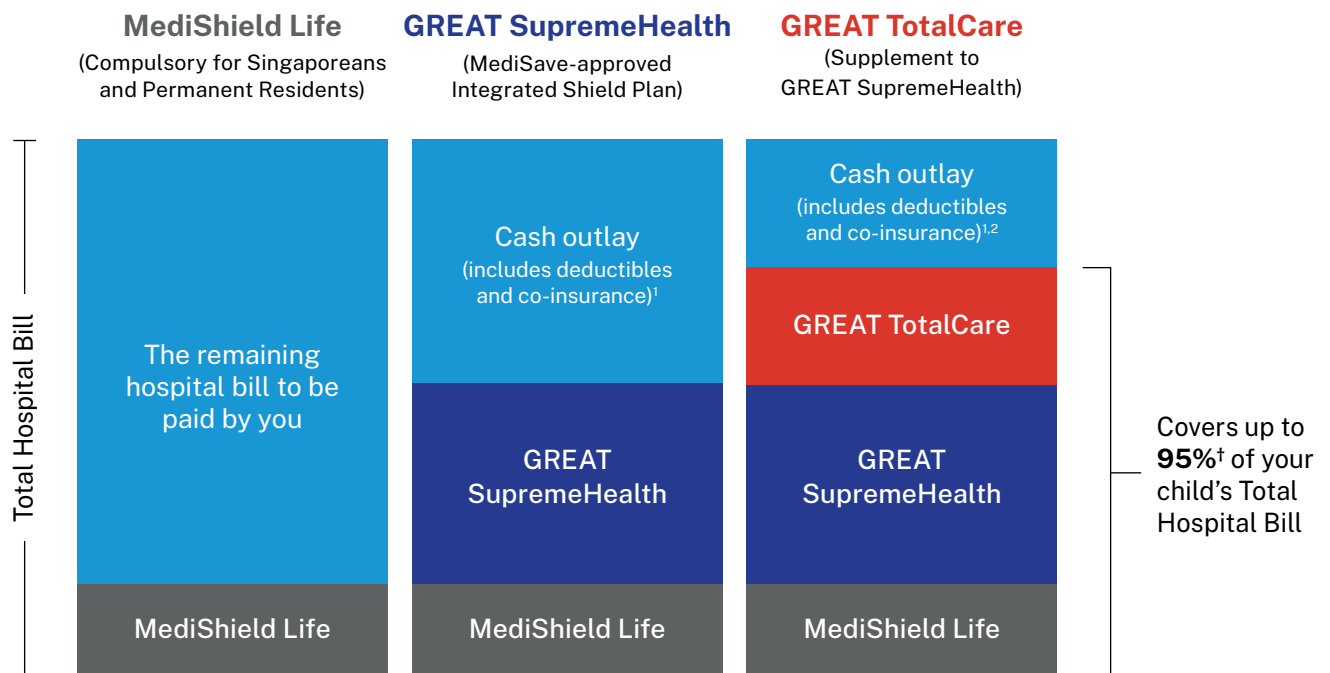

As a parent, your to-do list is endless, from managing daily routines and planning for your child's future to juggling work and family life. Amidst these responsibilities, protecting your child's health is your utmost priority. That's why we're here – to provide affordable, quality healthcare coverage without compromising your family's financial stability, so you can focus on your little one's recovery during times of illness.

With the comprehensive coverage of GREAT SupremeHealth, supplemented with GREAT TotalCare, you can start protecting your child from as early as 15 days after birth or upon hospital discharge, whichever comes later. Additionally, your child will receive lifetime coverage for congenital abnormalities after policy inception.

Enjoy optimal healthcare coverage with GREAT SupremeHealth + GREAT TotalCare

Our range of Integrated Shield Plan and supplementary plans is designed to complement MediShield Life, providing your child with optimal coverage for their hospitalisation needs at every stage of life. By supplementing GREAT SupremeHealth, a MediSave-approved Integrated Shield Plan, with GREAT TotalCare, you can be covered for up to 95%[†] of your child's total hospitalisation bill due to an illness or injury, keeping out-of-pocket expenses to a minimum.

[†] Applicable when the GREAT SupremeHealth plan is attached with either: a) GREAT TotalCare A plan or GREAT TotalCare B plan; b) GREAT TotalCare P Signature and for bills incurred at Panel Providers and/or at Restructured Hospitals; or c) GREAT TotalCare P Optimum and for bills incurred at Restructured Hospitals.

Ensure comprehensive protection for your child with GREAT SupremeHealth + GREAT TotalCare

Secure your child's healthcare coverage as early as 15 days after birth

Infants are vulnerable to illness and injury, which can lead to unexpected hospitalisation. That's why it's crucial to secure your child's healthcare coverage as early as 15 days after birth. Choose from our wide range of plan types designed to provide comprehensive protection tailored to your child's medical needs.

Cover up to 95%[†] of your child's total hospitalisation bill for life

Whether you prefer your child to receive medical care at Restructured Hospitals or Private Panel Providers, our plans ensure financial peace of mind by covering up to 95%[†] of your child's total hospitalisation bill for life.

Protect against congenital abnormalities as early as possible

While prenatal check-ups can identify possible congenital abnormalities, some conditions, such as congenital heart defects and polycystic kidney disease, may only be diagnosed at a later stage after birth. With our plans, you can rest assured knowing that as-charged coverage is provided for congenital abnormalities diagnosed after policy inception.

For mothers insured with GREAT SupremeHealth, their child's congenital abnormalities³ are covered right from birth.

Support your child through every step of their medical treatment and care

Ensure a speedy recovery for your child by staying with them during their hospital stay. By supplementing your child's GREAT SupremeHealth coverage with GREAT TotalCare, the Companion Accommodation Benefit covers your accommodation costs⁴ during their hospitalisation. This allows you to stay by your child's side in the hospital, providing vital physical and emotional support during this critical time.

[§] MediShield Life premium is fully payable by MediSave and there are no withdrawal limits. The premium of the additional private insurance component of GREAT SupremeHealth is payable by MediSave up to the Additional Withdrawal Limit, beyond which cash is required.

[‡] Loss Limit is the amount at which the deductible, co-insurance and co-payment payable by the policyholder for the Eligible Bills incurred shall be capped. Loss Limit for GREAT TotalCare A is S\$3,000 per period of Insurance for the Eligible Bills incurred at a Restructured Hospital or at a Panel Provider.

- ¹ The deductible is the amount which must be borne by the policyholder before any benefit becomes payable under GREAT SupremeHealth. Co-insurance is the proportion of the expenses that needs to be borne by the policyholder after the deduction of the deductible (where applicable).
- ² 95% of the deductible is covered under selected GREAT TotalCare plan types. Please refer to Benefit Table in the policy contract for more information on coverage of the deductible under the different GREAT TotalCare plans.
- ³ Applicable to treatment provided to the Life Assured's biological child during hospitalisation of the child for treatment related to congenital abnormalities. Such expenses must be incurred within (and including) 730 Days from Date of Birth of the Child. Such condition(s) must be first diagnosed after 300 days from the Last Policy Effective Date, and any expenses incurred in connection with condition(s) which are first diagnosed within 300 days after the Last Policy Effective Date are not payable. Please refer to the product summary for the respective benefit limits under the various plans under GREAT SupremeHealth.
- ⁴ All accommodation expenses incurred by the Life Assured's parent, legal guardian, legal spouse, sibling, biological child or legally adopted child who is above 18 years next birthday during the hospitalisation of the Life Assured, provided that the medical treatments for the Life Assured are covered under this policy. The expenses incurred will be subject to the daily Benefit Limit of this policy up to 10 days per hospitalisation and co-payment, where applicable.
- ⁵ Subject to out-of-pocket expenses comprising deductible, co-insurance and co-payment, where applicable. For GREAT SupremeHealth A Plus, GREAT SupremeHealth B Plus and the supplementary plans, pro-ration will apply for bills at Private Hospitals / medical providers and/or at Restructured Hospitals when the bill is incurred at a ward class that is higher than the plan's ward class entitlement.
- ⁶ Claims-Adjusted Pricing framework is applicable for GREAT TotalCare P Signature. This framework allows you to decide on your preferred treatment provider, where such personal claims experience during the Assessment Period will determine your renewal premium rates for your supplementary plan.
