

GREAT FLEXI GOAL

Attain your life goals with assurance and ease

#Lifeproof your family's financial future with certainty

Your financial goals evolve as you journey through different stages in life. From just starting out in your career to building your wealth for a new family and eventually towards your desired retirement, you'll want your savings to work harder to fulfil these wealth aspirations.

GREAT Flexi Goal is a regular premium endowment plan designed to grow your money through potential returns with choice of premium payment terms. This plan lets you attain your life goals with certainty through guaranteed acceptance for coverage against Death¹, Total and Permanent Disability² and Terminal Illness.

Start with **GREAT Flexi Goal** and ensure your saving priorities are met at every life stage, one sure step at a time.

Why should you consider this plan?

Up to 3% p.a.* potential returns upon maturity

Look forward to a lump sum payout with an attractive yield of up to 3% p.a.* upon maturity to achieve your life goals with greater ease.

Be assured with capital guaranteed³

Your capital is 100% guaranteed when the policy matures – a promise we fulfil as a security to your medium to long term commitment.

Different premium payment terms, whatever suits you from S\$100 per month

Plan towards your goals, your way. With a selection of either 15-year or 20-year policy terms, you can customise a plan that best suits your budget deciding between premium payment terms of Limited or Full Pay over 15 years or Full Pay over 20 years.

¹ The Company will pay the higher of the following in one lump sum, plus attaching bonus (if any), less any debt:

- (a) 105% of total standard yearly premiums paid; or
- (b) guaranteed surrender value.

² Coverage for Presumptive Total and Permanent Disability (TPD) is for the whole of the policy term, while coverage for other forms of TPD is till the policy anniversary on which the life assured is age 65.

Presumptive TPD refers to a state of incapacity which is total and permanent and takes the form of total and irrecoverable loss of:

- i) sight in both eyes;
- ii) use of two limbs at or above the wrist or ankle; or
- iii) sight in one eye and use of one limb at or above the wrist or ankle.

For more details on other forms of TPD, please refer to product summary.

³ Capital guaranteed upon maturity is only applicable to Limited Pay option with premium payment term of 15 years and policy term of 20 years.

How GREAT Flexi Goal helps you attain your life goals faster

Sam purchases GREAT Flexi Goal for his son, Brandon, age 1, to save for his tertiary education.

Premium Payment Term: 15 years

Policy Term: 20 years

Yearly Premium: S\$6,000

Total Premium paid:
(S\$6,000 x 15 years)
= S\$90,000

Age

Notes and Disclaimers

All ages specified refer to age next birthday.

Figures illustrated are rounded to the nearest dollar.

The above is for general information only. It is not a contract of insurance. The precise terms and conditions of this insurance plan are specified in the policy contract.

As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid.

Protected up to specified limits by SDIC.

In case of discrepancy between the English and Chinese versions, the English version shall prevail.

Information correct as at 20 April 2022.
